Mares Behaviour (handling etc.).....

**GENERAL CONDITIONS**

- 1) It is requested that mares be sent UNSHOD.
- 2) All mares will be wormed on arrival and charged to the Owner.
- 3) Mares whilst at this Stud will receive every possible care, attention and supervision, but no responsibility can be taken for accident, theft, or disease. Stanley Grange Stud strongly advises that all animals should be Fully Comprehensively Insured whilst at Stud.
- 4) Should veterinary assistance be deemed necessary by ourselves either in an emergency or to facilitate a pregnancy, the vet will be called and all costs will be paid by the mare owner direct to the veterinary surgeons, under their terms and conditions.
- 5) All mares will be SCANNED prior to leaving the Stud unless the mare owner specifies they do not require this service.
- 6) Service Certificates will be sent out at the end of the season unless otherwise requested.
- 7) Mares are able to leave the stud after 28 days heartbeat scan. Keep fees will be raised if the mare is not collected within 7days unless under veterinary instruction for further scans. If the mare is removed before the final heartbeat scan it is the responsibility of the owner to arrange to have the mare scanned at home.
- 8) In accordance with DEFRA Regulations all mares must be CEM Swabbed either prior to or on arrival at Stud. This will be charged to the Owner.
- 9) It is the responsibility of the Owner to ensure any vaccinations which may be due whilst at Stud are done prior to the mare arriving.
